**Dear Sir/Madam,**

Thank you very much for your generous donation to Yong-en Care Centre. Your contribution plays a vital role in our work with the community in and beyond Chinatown.

**Through your giving,**

- Yong-en Dementia Day Care is able to provide person-centered programmes designed to prolong cognitive function as well as a supportive environment for clients and their care givers
- Elderly, frail, and homebound members who have limited social support are able to age in place with services provided by Yong-en's Home Care nurses and volunteers
- Older persons are empowered to stay active in the community and age positively through our Gym-Tonic programme and a myriad of purposeful, curated, senior-friendly activities.
- Disadvantaged families and children are given a boost through educational enrichment programmes, bursaries, needed IT equipment, food security as well as fortifying support mentally and emotionally in these tough times.

Yong-en is committed to improving the lives and impacting the community in Chinatown and beyond, and we thank you for journeying with us.

Yours sincerely,

Lai Garchun, Nicholas  
Executive Director
